

## Workshop Timetemporalities

1. Welcome & permission to record (karin)
2. Read out aloud Entry Timetemporalities (65)(karin)
3. What are the connections between the concepts we have done so far: intra-action, diffraction and causality? Plenary feedback
4. Link Timetemporalities with temporal diffraction (viv & karin talk a little about temp diffraction from the Chapter Night Sky (for George to share this chapter with participants)  
What difference does the entry + chapter make for your research?  
In break out rooms - in threes (viv & karin)
5. Plenary discussion (Viv)
6. Close (karin)

*Possibly start with the question about writing?*
